IT Business Analyst, Techno-Functional

4 years of experience · 10+ international SaaS deployments · AI tool integration (LLM, MCP)

PROFESSIONAL EXPERIENCE

OneStock – SaaS Order Management System vendor — **Toulouse, France**
IT Business Analyst (Permanent) — **10/2024 – Present (2 years)**

- **Led 10+ end-to-end SaaS implementation projects** (scoping, configuration, UAT, go-live, hypercare), lasting 9 months to 2 years, across France, UK, Canada, India and Australia; 15+ go-lives managed, including as back-up
- **Functional and technical specifications,** solution configuration and UAT test plans
- **Integration & support:** API flows with ERPs (SAP, CEGID, NAV), CRMs, carriers, payment (PSP)
- **Proxy PO:** escalated client / product gaps to the Product team (Productboard), tested new releases
- **Change management:** trained ~15 non-technical key users per project, multi-country workshops of 20+ people
- **Solution expert:** onboarded a partner Business Analyst to full autonomy, paired with a Solution Architect
- **AI agent:** built a Rovo agent for the CX team (scoping, prompting, Jira / Confluence), adopted by 10 BAs
- **Configuration automation:** client configuration generated by Claude via MCP and Postman: 4 h saved per config
- **MCP integration:** connected LLMs to the team's tools (Jira, Confluence, Notion, internal OneStock MCP)

Buybox — **Toulouse, France**
Customer Success Manager (Fixed-term) — **01/2023 – 08/2024 (20 months)**

- **Portfolio of 65 B2B accounts** (Alltricks, Respire, Clarins…): autonomous management and reporting (HubSpot)
- **Coordinated and tracked client integration projects:** across sales, technical and partner teams
- **Business development:** upsell pipeline (gift cards) and account management

Capgemini Engineering — **Toulouse, France**
Project Manager (Internship) — **06/2022 – 12/2022**

- **Scoped and rolled out the "Nuclear Academy"** across the Capgemini Engineering group
- **Cross-team coordination** to align department needs with project deliverables

Ecotec — **Toulouse, France**
Business Assistant (Fixed-term) — **09/2019 – 09/2020 (12 months)**

- **Set up a CRM** and restructured the client database

EDUCATION

Toulouse Business School — **Toulouse, France**
Master in Management (Grande École) – Strategic Innovation Management (with Honours) — **2021 – 2024**
Certificate of Excellence in Consulting

University of Bordeaux — **Bordeaux, France**
Bachelor's in Economics & Management (with Honours) — **2020 – 2021**

IUT de Rodez — **Rodez, France**
Two-year technical degree (DUT) in Business Administration — **2018 – 2020**
